

## THE RYAL

*The Gold Ryal, also known as the Rose Noble, was a Scottish coin issued at the time of James I in the 1500's. James I was King of Scotland, England and Ireland.*

*The Ryal represents nobility and is very rare today. Some say the color of the coin looks like the color of Whisky, hence the reason we are offering a fine collection of Scotch Whiskys, The Ryal Bar pays homage to the Scottish heritage.*
