

THE RYAL

The Gold Ryal, also known as the Rose Noble, was a Scottish coin issued at the time of James I in the 1500's. James I was King of Scotland, England and Ireland.

The Ryal represents nobility and is very rare today. Some say the color of the coin looks like the color of Whisky, hence the reason we are offering a fine collection of Scotch Whiskys, The Ryal Bar pays homage to the Scottish heritage.
